## Education

**L.D College of Engineering, Ahmedabad**

**July. 2017 - May 2021**

*B.E, Instrumentation and control*

*8.03*

**Ankur High School, Surat**

**Jun. 2016 - May 2017**

*12th Higher Secondary Certificate*

*88.0*

**P.P Savani Vidhyalaya, Surat**

**Jun. 2014 - May 2015**

*10th Secondary School Certificate*

*90.5*

## Projects

**Clone BookMyShow Website | HTML, CSS**

**October, 2023**

- Executed a project focused on creating a responsive website for BookMyShow, where I played a key role in designing and developing the Home and Buzz pages in a collaborative effort with a team.
- Utilized the Owl Carousel plugin and incorporated responsive design principles, showcasing proficiency in flex and grid layout.

**Resume Builder Website | HTML, CSS, Javascript**

**December, 2023**

- I designed and implemented a user-friendly Resume Builder website, employing media queries for optimal performance across various devices.
- Implemented a real-time preview feature, allowing users to customize and visualize their resumes dynamically. Additionally, integrated functionality for users to download their tailored resumes.

## Mini Projects

- Developed Electric-Cart: Implemented user authentication, product search with throttling, sorting, and filtering. Emphasized responsiveness using media queries.
- GithubFinder: Integrated GitHub API, ensured seamless user interaction, implemented error handling, and included a toggle for light and dark modes.

## Experience

**Geekster**

**Dec,2023 - Present**

*Teaching Assistant Intern*

*Gurugram, Haryana*

- I attend student's queries on HTML, JavaScript, and CSS practices, ensuring they grasp and master fundamentals.
- I guide students, assisting them in navigating and excelling in their course curriculum, emphasizing front end Technologies.

**Welspun Metalics Limited**

**Jul,2021 - Feb,2023**

*Associate Manager*

*Anjar, Gujarat*

- I executed tasks related to calibration processes, and contributed to panel commissioning and I/O testing.
- As Associate Manager, I served as the Plant Shift In-Charge within the Sinter Plant and supervised maintenance operations, offering guidance to Technicians.

## Technical Skills

**Languages:** Java, HTML, CSS, JavaScript

**Developer Tools:** VS Code, Github

**Technologies/Frameworks:** React, Tailwind, Bootstrap, Figma

## Extracurricular

- Committee member for Lakshya Tech fest, managed participants, and coordinated events during our college festival.
- Committee member for Sahitya Sarita fest, focused on Gujarati literature, managing and coordinating the entire event.
- Joined college Robocon club, contributing to robot design based on specific themes, specializing in hardware components.
